

Dear and respected colleagues,

We are pleased to invite you to join the 4th International Student Conference - DISC2024, where the hybrid format offers you the flexibility to participate online or in person, without registration fees.

This year, DISC2024 is supported by the Ministry of Science, Technological Development and Innovation, Republic of Serbia and the Provincial Secretariat for Higher Education and Scientific Research AP Vojvodina.

DISC2024 is a conference dedicated to empowering students and young researchers. It provides a platform to exchange ideas, share experiences, present research findings, and expand knowledge. The event also offers a chance to build valuable scientific and professional connections, making it a key opportunity for anyone looking to grow and contribute to the future of research and innovation.

**DISC2024 will be held on 5<sup>th</sup> and 6<sup>th</sup> December 2024.**

For the following topics, contributions should be short overviews of research or Project summaries:

1. Environmental Protection and Sustainable Development
2. Occupational Safety and Health
3. Strategic Human Resource and Business Management
4. Sustainable Project Management
5. Civil Engineering
6. Education 3.0

Registration is **free of charge**.

The Organizing Committee encourages you to register for the DISC2024 with or without abstract and presentation using the following [LINK](#).

Participant can submit up to **2 abstracts** – [abstract template](#).

Abstracts will be published in the Conference e-book of abstracts with ISBN. According to the provided template, abstracts should be written in English (up to 300 words).
